# THE FRA

## CONTINUING THE JOURNEY

Volume XXI ■ ■ ■ Inside this Issue ■ ■ ■ No. 01

The term **fRA** literally means brother. Elbert Hubbard adopted the name fra Elbertus, or The fra, to identify himself as the leader of the fraternal organization known as The Roycrofters. It harkens back to times of the medieval guilds that Hubbard was attempting to recreate in East Aurora as an utopian Art and Crafts community. He titled this publication after himself as an expression of his philosophies and beliefs.
