

# ROCK STORATION!

HELP US **rebuild the Roycroft Wall**

There is no greater landmark in our village than the historic Roycroft Campus bordered by its iconic stone wall. However, the beloved wall along South Grove is in desperate need of repair. The Roycroft Campus Corporation (RCC) has secured time-sensitive funding for a portion of the restoration expense.

**JOIN US**  
in raising the funds to  
finish the job and  
**CELEBRATE**  
with us at the  
“Roycroft Rocks Gala”  
upon wall completion!
